**G**MH Communities Trust, a provider of housing, lifestyle, and community solutions for college students and members of the U.S. military and their families, appointed **Marina Dikos** vice president and corporate controller. In this capacity, Dikos will oversee management of the company's accounting and financial reporting processes. She has more than 15 years of public accounting experience.

Rose Associates Inc., a New York-based full-service real estate firm, hired **Jeffrey D. Heifetz** as a managing director with its residential management division. Heifetz is responsible for enhancing Rose Associates' relationships with major residential clients and supervising its team of property managers. He also will assist the company in further expanding its portfolio through new business initiatives. Prior to joining Rose Associates, he served as a senior vice president of real estate with Wilshire Enterprises Inc. in Newark, N.J.

CapitalSource Mortgage Finance LLC, a division of CapitalSource LLC, hired **Susana Araoz** as an investment officer. Based in the company's Chevy Chase, Md., headquarters, Araoz will add nationwide, multifunctional production capacity to the company's FHA-insured lending platform. She has more than 25 years of experience originating, structuring, underwriting, processing, and servicing FHA-insured mortgage loans.

The Campaign for Affordable Housing, a national nonprofit organization dedicated to dispelling negative stereotypes about affordable housing, named **Andrew J. Jetter**, the president and CEO of the Federal Home Loan Bank

of Topeka, to its board of directors. "He provides a unique perspective to us as we pursue our goal of educating people around the country about the benefits—including the positive effect on local economies of affordable housing," says Charles Edson, chairman of the board of the Campaign for Affordable Housing.

Inovonics Wireless Corp., a provider of wireless sensor networks for security, life safety, healthcare, submetering, and other monitoring and control applications, appointed **Mark Jarman** as the company's president, and **Cary Juvonen** as its new vice president of finance and accounting. Jarman was promoted from vice president of sales for Inovonics. Juvonen comes to Inovonics from IBM.

**Anna Steele** joined Keystone Pacific Property Management Inc., an Irvine, Calif.-based property management firm, as community association manager. She is based in the firm's Temecula, Calif., office. Her responsibilities include managing a portfolio of new and existing development communities throughout the Inland Empire.

**Amanda Hiller** was promoted to general manager of ForRent.com. "Hiller has demonstrated her ability to successfully lead *For Rent Magazine* operations in both Detroit and Cleveland," says Terry Slattery, vice president and general manager of For Rent. "She brings with her a wealth of experience in the multifamily industry and a determination to succeed."

In efforts to expand its outreach and influence throughout the Harlem, N.Y., community and others, The Migdol Organization announced that **Delfina M. Cruz**, M.S.W., joined the company as

vice president, director, community outreach. Cruz's immediate responsibilities are to liaise with city, state, and federal agencies, keeping them apprised of Migdol's initiatives in building senior and youth centers in affordable housing communities. She also works closely with resident leaders to help plan improvements, and paves the way for The Migdol Organization to build playgrounds, running tracks, ball fields, and picnic/barbecue areas at the communities.

**Phillip A. Smith** joined Crosland Inc., a Southeast real estate company, as vice president-development manager for Crosland's multifamily projects in Florida. He will be responsible for the development, design, and construction of Crosland's multifamily rental communities. Smith will be based in Tampa.

JPI, a luxury apartment company that provides development, construction, and property management services for conventional and student living communities nationwide, appointed **Glen M. Vetromile** to senior vice president and area managing partner. Vetromile will be involved in all aspects of new development and acquisitions for JPI's Northeast region. "We are excited to have Vetromile join our senior management team in the Northeast as the region continues to acquire and develop new properties," says Jim Butz, president and managing partner of JPI East. Prior to joining JPI, Vetromile was a partner at The Related Cos. LP, where he oversaw existing and new development opportunities including mixed-use, community development, and condominiums in the New York tri-state area. **pro**
